

The Seed Song

One must water one must weed
One must sow the precious seed
We'll work in unity
To tender the garden of love

Verses

You take a little seed and put it in the ground
Spread a little love and cheer around
Plant a little kindness from above
and you'll have a garden of love

Tend it patiently in prayer
Root out the weeds of doubt and care
Trust God's spirit from above
To nourish the seed of love

Till the garden through and through
As Jesus Christ directs you to
Pour forgiveness all around
And you'll have a fruitful ground

I'm a Little Seed

I'm a little seed hiding deep in the ground,
(child squats down and covers his head with his hands and arms)

And the sun shines, and the rain falls, and I pop up my head,
(quickly uncover head and look up on "pop")

I reach up my leaves,
(begin to stand and stretch arms up)

And I stretch up to the sky,
(stand tall and reach up)

Now I'm a beautiful flower,
(bring hands to side of face)

Blowing in the breeze!
(gently sway from side to side)
